CONTINUATION OF COMPLAINT:**NAME: MARTINEZ-Valdez, Martin****PROBABLE CAUSE STATEMENT**

On Tuesday, June 03, 2008, the defendant identified as Martin MARTINEZ-Valdez was arrested by the San Diego Police Department for being under the influence of a controlled substance and booked into county jail. While in the custody of county jail, an Immigration Enforcement Agent determined the defendant to be a citizen of Mexico and placed a Form I-247 "Immigration Detainer" pending his release. On Wednesday, June 04, 2008, at approximately 3:25 a.m. the defendant was referred to the custody of Immigration and Customs Enforcement (ICE). A Deportation Officer reviewed various sources of information and conducted official record checks confirming the defendant to be a citizen of Mexico having been previously removed from the United States.

A thorough review of official immigration computer database record checks and information contained in the Alien Registration file revealed that the defendant was ordered removed from the United States by an Immigration Judge on or about December 07, 2006 and removed to Mexico via the Calexico Port of Entry. Record checks further indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System "IDENT" and Automated Fingerprint identification System "IAFIS" were utilized and compared the defendant's fingerprints to those contained in these databases. The results confirmed the defendant's identity as Martin MARTINEZ-Valdez a citizen and national of Mexico. A photograph and a set of fingerprints contained within the official Alien Registration File were also reviewed and compared to the defendant, further confirming his identity.

Based upon the foregoing information, there is probable cause to believe that Martin MARTINEZ-Valdez has illegally re-entered the United States after Deportation, in violation of Title 8 of the United States Code 1326, Deported Alien Found in the United States.
